LETTER OF COMPLIANCE

January 26, 2004

Second Frog Realty Trust
Donald D'Auteuil
Box 707
Wolfeboro, NH 03894

RE: File #1998-00894

Dear Mr. D'Auteuil:

On September 5, 2003, personnel from the Department of Environmental Services ("DES") received photographs of the above referenced property, more specifically referenced on Town of Wolfeboro Tax Map 5 as Lot 4 (the "Property"). The purpose of the photographs was to demonstrate compliance with RSA 482-A and applicable rules adopted under that statute, and specifically whether the deficiencies noted in the Letter of Deficiency issued to you on May 15, 2002, have been addressed.

After reviewing the photographs, it was determined that the deficiencies described in the Letter of Deficiency have been corrected. DES will close its enforcement file regarding the Property at this time. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Please be advised that further work in wetlands, waters of the state, the upland tidal buffer zone, the bank, flat, sand dune, or other areas of jurisdiction of the Department requires a posted, approved permit prior to carrying out such work.

Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact the Wetlands Bureau at (603) 271-2147.

Sincerely,
